

USAMA BIN MURAD

**RECOMMENDATION LETTER FOR JANJJUA CONSTRUCTION COMPANY**

Janjjua Construction Company has delivered more than 40 projects designed by our Architectural Firm Usama Bin Murad & Associates. They have successfully completed these project with a dedicated team that believes in completing projects that are to the clients satisfaction. Not only did they finish these projects with a single minded dedication to the finished look & feel but with a desire to use the right materials and see to it that the execution entails proper attention to detail from the foundations to the finish.

With better organizational skills for implementation & execution of details, the project is carefully done to ensure quality of the finished project.

They have the label of being the only **Consultant** to have completed more than forty projects based on our designs from the year 1996 to 2018.

We wish them the best for their future projects.
